Why Flight Changes Are Common During a Hurricane

Severe weather events like hurricanes often cause:

- Flight cancellations or reroutes due to unsafe flying conditions.
- Airport closures and airspace restrictions.
- Crew unavailability or logistical complications.
- Rescheduling and overflow issues as airlines work to rebook affected passengers.

British Airways allows flexible changes to ensure passenger safety and convenience.

How to Change Your British Airways Flight During a Hurricane

1. Call the Emergency Hotline

Call 1-855-628-4230 for immediate rebooking. Have ready:
