These credits can be used to reduce the cost of travel booked through Capital One Travel.

How to Redeem Capital One Travel Rewards or Credits

1. Redeem Miles Through Capital One Travel Portal (Best Value)

The Capital One Travel portal allows you to redeem miles directly for travel at a fixed rate of **1 cent per mile**.

Steps to Redeem:

1. Log in to your Capital One account.
2. Go to **Travel**.
3. Search for flights, hotels, or rental cars.
4. On the payment page, select **“Use Miles”**.
5. Choose the amount of miles you want to apply.

You can pay:

- All miles
- Partial miles + cash
- Or all cash

This option gives predictable value and is easy to use.

2. Redeem Miles for Past Travel Purchases

One of Capital One’s most flexible features is **redeeming miles as a statement credit** toward travel purchases made within the last 90 days.

Eligible purchases include:

- Airline tickets
- Hotels
- Car rentals
- Cruises
- Rideshares
- Travel agencies
- Vacation rentals

Steps to Redeem for a Statement Credit:

1. Log in → **Rewards**.
2. Select **Cover Travel Purchases**.
3. Choose an eligible travel expense.
4. Apply miles to reduce or erase the charge.

This method gives the same value as the portal: **1 mile = 1 cent**.

3. Redeem Annual Travel Credits

Cards like the Capital One Venture X offer travel credits that can be applied automatically when booking through Capital One Travel.

How to Use Travel Credits:

1. Log in → **Travel**.
2. Book flights, hotels, or rental cars.
3. At checkout, your **annual credit will automatically apply** until fully used.

If the credit doesn't appear or apply correctly, contact **1-855-628-4230**.

4. Transfer Capital One Miles to Travel Partners

Capital One offers more than 15 airline and hotel transfer partners, including:

- Air Canada Aeroplan
- Emirates Skywards
- British Airways Executive Club
- Singapore Airlines KrisFlyer
- Choice Hotels
- Wyndham Rewards

Why transfer miles?

Often, transfers provide **higher redemption value**, sometimes worth 1.5–2 cents or more per mile.

How to Transfer:

1. Go to **Rewards** → **Transfer Miles**.
2. Select a partner.
3. Enter your loyalty number.
4. Choose a transfer amount (usually in 1,000-mile increments).

Transfers are usually instant, but some partners may take 24–48 hours.

5. Redeem for Cash or Gift Cards

Although not the best value, miles can be redeemed for:

- Cash back
- Check
- Gift cards

These options generally offer lower value and are not recommended if your goal is maximizing miles.
