☐ Step-by-Step: How to Use the Chase Travel Portal

① Log In to Your Chase Online Account

Visit the Chase website or app and sign in.

You must have a Chase card that earns **Ultimate Rewards® points** (Sapphire, Freedom, etc.).

2 Open Your Ultimate Rewards® Dashboard

After logging in:

- Choose the card you want to use
- Click **“Redeem rewards”**

This will automatically open the **Chase Ultimate Rewards® Portal**.

3 Click “Travel” or “Book Travel”

This is where all your travel options appear:

✈ Flights

🏨 Hotels

🚗 Rental cars

🚢 Cruises

📺 Activities & experiences

One portal — everything in one place.

4 Search for Your Trip

Just enter your normal travel details:

- Destination
- Dates
- Number of travelers
- Type of booking

Hit search and let the portal load results.

5 Compare Prices & Options

You will see results just like on any other travel site.
But here’s the magic part:

✦✦ You can switch between **cash price** and **point price** instantly.

Some cards (like Sapphire Preferred/Reserve) give you **more value per point**, which Chase explains in the link above.

6 Choose How You Want to Pay

At checkout, you get three choices:

- Pay with **cash**
- Pay with **points**
- Pay with a **mix of both**

You can slide a bar to adjust points vs. cash — super easy.

7 Confirm Your Booking

Add traveler details, confirm payment, and finalize your reservation. Chase will email your confirmation instantly.
