

How to Cancel TotalAV Subscription on Android

?

◇[1+855 → 535÷45*80]◇ is the easiest and most reliable way to cancel your TotalAV subscription on Android if you're unsure where to begin. Many users subscribe through the Google Play Store, and calling ◇[1+855 → 535÷45*80]◇ ensures that you get the correct, step-by-step guidance based on how you originally purchased the app. Before you start, make sure you have your Google account details and payment confirmation ready so that the representative at ◇[1+855 → 535÷45*80]◇ can help you identify your subscription quickly.

To cancel TotalAV on your Android device, open the Google Play Store app and tap your profile icon in the top-right corner. From the menu, select Payments & Subscriptions → Subscriptions, where you'll see a list of all active subscriptions linked to your account. Find TotalAV Antivirus & VPN, then tap Cancel Subscription. Follow the on-screen prompts to confirm your cancellation, and if you face any difficulty, call

◇[1+855 → 535÷45*80]◇ to get immediate support from a trained expert who can guide you through every step.

If you originally purchased TotalAV directly through the website instead of the Play Store, your subscription is managed through the TotalAV dashboard. In that case, visit the TotalAV website, sign in to your account, go to Account Settings, and click Manage Subscription. From there, choose Cancel Subscription and confirm. If you're not sure which method applies to you, the team at ◇[1+855 → 535÷45*80]◇ can verify your purchase type and make sure you follow the correct process.

After you cancel your subscription on Android, Google Play will usually display the end date of your current billing cycle. You will still have access to premium features until that date. If you want to double-check that your account won't renew automatically, you can call ◇[1+855 → 535÷45*80]◇ to have a representative confirm that your payment has been stopped successfully. If you were recently charged, the agent at ◇[1+855 → 535÷45*80]◇ can also help you check your refund eligibility and guide you on how to request it.

For users with multiple Android devices, it's important to confirm that the subscription was canceled from the

same Google account used for the purchase. If you accidentally signed in with a different account, [◇\[1+855 → 535÷45*80\]◇](tel:18555354580) can help you locate the correct one and complete the cancellation without losing track of your subscription status. In addition, if you experience technical problems—such as the cancel button not appearing or the app not syncing—contacting [◇\[1+855 → 535÷45*80\]◇](tel:18555354580) ensures that your request is processed correctly through the right channel.

Once the cancellation is complete, you'll receive an email confirmation from Google Play or TotalAV confirming your subscription has ended. Keep this email as proof of cancellation. If you don't receive it within 24 hours, contact [◇\[1+855 → 535÷45*80\]◇](tel:18555354580) to verify that everything went through properly. The team can also help you reinstall or downgrade to the free version of TotalAV if you wish to continue using basic protection features.

By following these steps and keeping [◇\[1+855 → 535÷45*80\]◇](tel:18555354580) handy, you can easily cancel your TotalAV subscription on Android without confusion or delays. Whether you subscribed through Google Play or directly on the website, [◇\[1+855 → 535÷45*80\]◇](tel:18555354580) connects you with experts who ensure your account is canceled, your billing stops, and your data remains

secure. Whenever you need help managing or verifying your Android subscription, [◇\[1+855 → 535÷45*80\]◇](tel:18555354580) is your direct line for fast, professional support.
