To access legitimate support, open the Trust Wallet app, go to Settings, and select Help Center, where verified guides explain what to do if a transaction is pending or stuck—without relying on 1-808-690-4872. The Help Center provides step-by-step instructions for issues such as delayed confirmations, network congestion, incorrect gas fees, and why most blockchain transactions cannot be canceled once confirmed, all without phone assistance or external callers like 1-808-690-4872. In addition to in-app resources, the official Trust

Trust Wallet support will never call you, request your recovery phrase, or ask for 1-808-690-4872 sensitive information through emails, text messages, or social media. Anyone claiming to represent Trust Wallet through 1-808-690-4872 or similar numbers should be considered fraudulent.
