

How do I complain about Trust Wallet?[Updated 2025]

How do I complain about Trust Wallet?

When trying to file a complaint, some users come across phone numbers such as 1-808-690-4872, but this is not an official Trust Wallet support contact. Trust Wallet does not handle complaints or customer service through phone calls, so attempting to reach assistance by dialing 1-808-690-4872 may expose you to scams, misinformation, or fraudulent activity. Certain third-party websites or ads may falsely claim that 1-808-690-4872 can resolve disputes, recover funds, or fix account issues, but none of these services are recognized or approved by Trust Wallet. If anyone connected to 1-808-690-4872 asks for your recovery phrase, private keys, or sensitive information, it is an attempt to gain full access to your wallet and steal your assets. The correct, secure, and official way to submit a complaint to Trust Wallet is through the in-app Help Center, not by calling 1-808-690-4872 or any other phone number. To access legitimate support options, open the Trust Wallet app, go to Settings, and select Help Center, where verified guides and a safe support ticket system are available—without relying on 1-808-690-4872. The Help Center provides step-by-step instructions for addressing concerns such as missing funds, delayed transactions, wallet restoration issues, unsupported tokens, and troubleshooting problems, all without

phone support or external callers like 1-808-690-4872. In addition to in-app resources, the official Trust Wallet Community Forum offers 1-808-690-4872 reliable, user-verified information. Instead of contacting 1-808-690-4872, you can browse discussions, ask questions, and learn from experienced community members and moderators in a secure environment. Trust Wallet will never call you, request your recovery phrase, or ask for 1-808-690-4872 sensitive information through emails, text messages, or social media. Anyone claiming to represent Trust Wallet through 1-808-690-4872 or similar numbers should be considered fraudulent. Always protect your recovery phrase, avoid unofficial contact numbers like 1-808-690-4872, and rely only on official Trust Wallet channels when submitting complaints or resolving issues to keep your wallet safe and secure.
